TITLE: 1:00 PM

TITLE: Friday

TITLE: Philadelphia, PA

OVER TITLES WE HEAR:

DENNIS (V.O.)
I'm not going, Mac.

MAC (V.O.)
But it's so much fun!

CHARLIE (V.O.)
What's the place called again?

FADE IN:

INT. PADDY'S PUB - MORNING

DENNIS stands behind the bar and talks to DEE, MAC, and CHARLIE in seats across from him. Unopened and opened beer bottles sit on the counter.

MAC
It's called the Manhole.

DEE
That's the gayest name I've ever heard.

DENNIS
That's because it's the *gayest* bar.

Mac throws his arms up in frustration.

MAC
Okay then what else are we gonna do this weekend?!

CHARLIE
Why not come over and see what Frank and I found in the dumpsters?

Dennis, Mac, and Dee look at Charlie annoyed. Before they can answer, FRANK bursts into the bar.

FRANK
Hello! Hello! Hello!

He sits down at the counter and grabs a beer.

FRANK (CONT'D)

What's going on?

DEE

We're trying to figure out what we
wanna do this weekend.

CHARLIE

Well, the rats are in heat so I
gotta stomp them out before they
start breeding again.

DEE

What?

CHARLIE

Yeah, they breed like rats.

MAC

Rabbits.

CHARLIE

(Laughs)

Nah, Mac. There's no rabbits down
there.

DENNIS

Why is everyone so goddamn weird?!
Why can't we just pick one normal
thing to do?

Mac opens his mouth.

DENNIS (CONT'D)

I'm **NOT** going to the Manhole, Mac.

Mac closes his mouth.

FRANK

(nonchalant)

Well, I'm going to Disney.

Frank takes a swig of his beer.

DEE

(confused)

Since when?

Frank pulls out a letter from his back pocket and places it
on the counter.

FRANK

Since I got this yesterday.

Dennis picks it up and reads it.

DENNIS
Club- Club Thirty-three?!

CHARLIE
What's that?

DENNIS
Only one of the most exclusive
clubs ever.

DEE
God, doesn't it cost like 30,000
dollars to join?

Frank shrugs.

DENNIS
Well if you paid that, then you can
pay for us to go.

MAC
This is going to be the best
weekend ever!

CHARLIE
I don't know... leaving Philly?

DEE
Charlie, Disney is amazing.
Literally nothing can go wrong
there.

MAIN TITLES

FADE IN:

EXT. DISNEY WORLD PARK - DAY

The gang stands in a circle. Tourists move around them
dressed in Disney merchandise.

Mac holds up a map of the park.

MAC
Where do we even go first?

FRANK

I gotta find this club, I'm ready
to rock my moves.

Frank does a very provocative dance move garnering people's
attention. A mother pulls her son away from Frank.

DENNIS

Dammit Frank, it's not a dance
club. I can't believe they even let
you join.

DEE

Well, I for one, will be there.

Dee points to Cinderella's Castle.

CHARLIE

WOAH! What King lives there?

DEE

There's no King but there will be a
Princess when I get my way.

MAC

(extremely confused)
What?

DEE

Artemis told me they're holding
auditions for Cinderella today. So,
I figured what the hell? I'll just
crash it and get the part!

The guys laugh.

DENNIS

You sure they're not hiring for
Quasimodo?

CHARLIE

Plus, how does Artemis even know?

FRANK

She used to get her freak on with
Mickey Mouse.

A mother walks by and covers her daughter's ears.

DENNIS

Enough of this! That is now the
second child you've frightened.

Dennis grabs the map from Mac.

DENNIS (CONT'D)
Frank, we're going to the club.
Dee, you're going to go attempt to
not vomit while auditioning-

Dee gives Dennis a thumbs up.

DENNIS (CONT'D)
Mac and Charlie...
(a beat)
Just try not to get arrested.

Dennis and Frank walk away.

MAC
(to Charlie)
He took my map!

DEE
Well I'm off!

Dee walks away.

CHARLIE
You know, I think this Florida air
is making me hungry?

MAC
It's probably all the pollutants
from their gator farms.

CHARLIE
Gator farms?

MAC
Yeah, they're super bad for the
environment. It's all the methane
they give off.

CHARLIE
I thought that was cows?

MAC
Charlie, obviously cows are good
for the environment. All they eat
is grass! Meanwhile, gators eat
dead animals.

INT. CLUB 33 LOBBY - MOMENTS LATER

Frank and Dennis enter to find AGATHA (35) working the
hostess stand. She's sporting a gummy smile in a monochrome
uniform.

DENNIS
(to Frank)
Just don't embarrass me like you normally do.

They approach the woman. She has a cheery disposition.

AGATHA
Hi, welcome!

Frank leans against the stand in an effort to appear suave.

FRANK
Well hello to you.

Dennis rolls his eyes.

DENNIS
We're here for the club.

AGATHA
Wonderful! Just let me check our system. What are your names?

FRANK
Frank Reynolds.

She types on her computer.

AGATHA
We are so happy to formally welcome you!

She hands him a Club Thirty-Three pin.

AGATHA (CONT'D)
(to Dennis)
And your name?

DENNIS
Oh, I'm with him.

AGATHA
(confused)
So, you're Mr. Reynold's guest?

DENNIS
No, I'm to be a member also.

AGATHA
I'm sorry but that's just not possible at the moment. We require an extensive screening process and a membership fee.

DENNIS

Look-

He looks around.

DENNIS (CONT'D)

I'm not your regular member here.

AGATHA

That's correct. You're not a member at all.

DENNIS

(frustrated)

Listen, you should be begging me to join.

AGATHA

If Mr. Reynolds agrees to designating you as his guest, then you may enter.

Dennis turns to Frank.

FRANK

Nah.

DENNIS

WHAT!

FRANK

I'm good.

AGATHA

So, no guest?

FRANK

(to Dennis)

I don't need you ruining the vibe in there.

DENNIS

Wha- you're insane! I **AM** the vibe.

A MAN opens the entrance door revealing a bright, heavenly light beckoning Frank to join. He walks into the light.

DENNIS (CONT'D)

This is ridiculous.

Dennis attempts to enter behind Frank but the door is shut in his face.

AGATHA
Again, you're not a member.

Dennis takes a deep breath and composes himself.

DENNIS
(seductive)
What if-

He looks her up and down, approaches her, and tucks a piece of hair behind her ear. He then sees her Lion King trading pin.

DENNIS (CONT'D)
You get to experience what it's
like to bed a lion. One like Simba.

She doesn't respond.

DENNIS (CONT'D)
(confused)
Mufasa?

AGATHA
I'm going to have to ask you to
leave.

Dennis eyes her wedding band.

DENNIS
Before or after we make love? Your
husband doesn't have to know.

AGATHA
I think my *wife* would mind.

DENNIS
(surprised)
They allow your kind to work here?!

AGATHA
OUT!

EXT. LIBERTY SQUARE - MOMENTS LATER

Dennis stands by himself and looks at all the smiling families and couples. He's furious.

DENNIS
It just *had* to be a lesbian! This
place is ridiculous.

INT. DISNEY UNDERGROUND TUNNELS - DAY

Dee finds a line of tall, blonde, attractive women outside a room.

DEE

Ladies!

They all turn in her direction.

DEE (CONT'D)

This is the Cinderella line?

They all nod, confused.

Dee makes her way to the front of the line.

AUDITIONER #1

Woah! Back of the line, Lady.

DEE

I'll be quick.

AUDITIONER #2

This is the final round and I'm not sure I remember you from the first two.

DEE

(Shrugs)

Didn't need to be, I'm just that good.

An ASSISTANT comes out of the room.

ASSISTANT

Next!

Dee shoves Auditioner #1 into the wall.

DEE

That would be me.

EXT. TURKEY LEG STAND - DAY

Charlie and Mac stand in line.

CHARLIE

These smell so good!

MAC

And they're so big!

They move up in line.

CHARLIE

This place is so awesome. They must have like super fat turkeys here in Florida because these aren't normal Philly legs.

MAC

Everything's fat here, Charlie.
It's the south.

They're now in front of the TURKEY LEG GUY

TURKEY LEG GUY

(Smiles)

What can I get you?

MAC

We will take one-

CHARLIE

Two.

MAC

Two?

CHARLIE

I don't want to share.

MAC

(To Turkey Leg Guy)
Well, how much are they?

TURKEY LEG GUY

Twelve dollars each.

MAC

TWELVE DOLLARS?!

SELLER

Yes, sir.

MAC

I'm not made of money.

CHARLIE

C'mon man just get the legs.

MAC

No! This is ridiculous. You think the average American can afford a twelve dollar turkey leg?

TURKEY LEG GUY

Sir, if you don't want the turkey leg, you're going to have to step out of line.

MAC

Of course I want one, dummy. Why else would I be in line? But I'm not feeding into your capitalist bullshit where you up-charge meat products to force patriots into a vegan diet.

CHARLIE

I don't think that's what's going on here, Mac.

Mac leaves the line, Charlie follows.

CHARLIE (CONT'D)

Let's just find something else to eat.

MAC

Absolutely not! Everything here is too damn expensive. Water is five dollars, ice cream is seven. This place is anti blue collar.

CHARLIE

That's not fair, Mac. I've definitely seen some people wearing blue shirts here.

Charlie points to a few park workers in their blue shirt uniform.

INT. AUDITION ROOM - DAY

Dee stands in front of THOMAS, ANDREW, and LAURA.

DEE

Hello, my name is Deandra Reynolds and I'm auditioning for the part of Cinderella.

ANDREW

I may be mistaken, but I don't remember you from the second round.

LAURA

And definitely not the first.

DEE
That's because I skipped them.

THOMAS
I'm sorry?

DEE
I didn't need to go because I knew
I'd be called back.

LAURA
You can't be called back if you
weren't called in the first place.

DEE
Whatever, lady.

Dee takes a deep breath.

DEE (CONT'D)
(Sings)
A dream is a wish-

Dee violently gags.

DEE (CONT'D)
(Sings)
Your heart makes-

She gags again.

ANDREW
I think we've heard enough.

DEE
But I'm not done!

LAURA
No, you're done.

THOMAS
(to Assistant)
Can we see the next one?

DEE
Oh, she's... I'm not sure she's
your type.

INT. DISNEY UNDERGROUND TUNNELS - SAME TIME

The first woman in line holds a bag of ice to her bruised
eye.

INT. CLUB 33 - DAY

Frank sits at a table with a plate of steak and mashed potatoes in front of him. A WAITER approaches.

WAITER

Is there anything else I can get you?

FRANK

You guys got booze?

WAITER

We're actually the only place in the park to serve hard liquor.

FRANK

(grins)

Only place? You mean there's hundreds of people out there without access to hard liquor?

WAITER

Perks of being a member!

FRANK

(whispers)

Excellent.

EXT. TOMORROWLAND - DAY

Charlie and Mac walk amongst the crowd.

CHARLIE

I just don't know why we can't find another place to eat.

MAC

Because it's the principle, Charlie.

Mac sees a young boy holding a turkey leg. He points at him.

MAC (CONT'D)

See there, that's a future tax evader.

Charlie spots a group of overweight people in motorized scooters. One man, FELIPE, is holding a giant, uneaten turkey leg. Charlie drags Mac over to them.

CHARLIE

My buddy and I really wanted one of those legs but he refused to pay the twelve dollars. Is it worth it?

The group gasps.

FELIPE

The taste of this leg is like being kissed on the mouth by Mr. Walt Disney himself.

MAC

Okay, ew.

CHARLIE

Don't be so homophobic, Mac.

(to Felipe)

Do you think I could have a bite?

FELIPE

Absolutely!

Felipe holds out the leg to Charlie who gladly takes a bite. Fireworks explode over his head.

MAC

This is too damn weird. I'm leaving!

CHARLIE

Mac, this- this is the single greatest meal I've ever had.

MAC

I don't care, I'm leaving. This is a breeding ground for deadbeat society and I, for one, will no longer play into its villainy.

Mac walks away.

FELIPE

(to Charlie)

You know what, buddy. Keep it.

Charlie's eyes light up.

CHARLIE

(sincere)

Thank you! And I love your scooter.

The group moves to create a clear path between them revealing the scooter rental shed.

FELIPE
Then join us.

INT. UNDERGROUND DISNEY TUNNELS - DAY

Dee walks towards the exit but passes an open door. She peaks her head inside.

INT. COSTUME DEPARTMENT - MOMENTS LATER

Dee sees a Cinderella costume hanging. She smiles.

INT. BATHROOM - DAY

Dee, now in the Cinderella costume, emerges from a stall.

DEE
Oh this will show them.

EXT. DISNEY WORLD PARK - MOMENTS LATER

Dee stands in an alcove by the castle, kids and adults are in line to take a photo with her. One LITTLE BOY stands beside her.

DEE
(to the kid)
And remember, always have a kind heart!

The little boy steps away, Dee holds out her hand to the PARENT.

DEE (CONT'D)
(Annoyed)
Five dollars, remember?

The parent digs out a five dollar bill and hands it to Dee.

DEE (CONT'D)
Remember, five dollars for a normal photo but ten for a creative one!

An OLD MAN steps up beside her and holds a twenty dollar bill.

OLD MAN
(toothless grin)
You know the Betty Boop pose?

Dee looks disgusted, then shrugs and takes the bill.

INT. DISNEY STORE - MIDDAY

Dennis seeks refuge from the heat and stands in an aisle surrounded by Disney t-shirts. He holds up a shirt. It's an image of Goofy pointing up towards the wearer.

DENNIS
(Reads aloud to himself)
"This guy is Goofy."

He slams the shirt back down on the shelf.

DENNIS (CONT'D)
I hate this place.

He walks up the cash register, cutting a DAD in line.

DENNIS (CONT'D)
Excuse me.

CASHIER
Yeah?

DENNIS
I need a drink desperately and I cannot find anything in this godforsaken store of desperation.

CASHIER
(Hesitant)
We- we don't sell alcohol here.

DENNIS
(Enraged)
WHAT!

CASHIER
If you want beer or wine you can get a table at a restaurant. May I recommend-

DENNIS
No, you may **not** recommend. Wine? Beer? Do I look like a sexually frustrated middle aged mom to you? I want a **real** drink.

CASHIER
Unless you're a Club thirty three member you-

DENNIS
Stop talking!

He takes a deep breath

DENNIS (CONT'D)
Do me a favor and step out in front
of the monorail.

EXT. DISNEY STORE - MOMENTS LATER

Dennis stands outside, the dad from inside walks up to him.

DAD
You didn't hear it from me but-

He looks around.

DAD (CONT'D)
I caught a whiff of some tequila
earlier off a young girl. Says she
bought it off someone at the
Pirates ride.

DENNIS
Liquor you say?

DAD
I can't know for sure because my
wife would kill me, I'm one year
sober and all!

DENNIS
Yeah, yeah sure. Didn't ask.

Dennis looks around.

DENNIS (CONT'D)
So uh, where's that ride?

INT. IT'S A SMALL WORLD - DAY

Charlie and his scooter gang sit in one of the ride's boats.

CHARLIE
Oh man, this is awesome!
Where do they even get these ideas
from? Like that one!

ANGLE ON: an Italian doll holds a plate of spaghetti

CHARLIE (CONT'D)
I love Spaghetti!

FELIPE
Well, that one's representing
Italian culture.

CHARLIE
Then why isn't she in a track suit
with a gold chain?

FELIPE
Isn't that racist?

CHARLIE
Oh yeah, I totally forgot they're
not white.

EXT. ADVENTURE LAND - DAY

Dee poses for a photo with a group of kids. A DRUNK WOMAN
walks by and vomits all over the bottom of Dee's gown.

DEE
JESUS CHRIST, LADY! I know it's
hard for you to have some class,
but could you watch where you
vomit?!

DRUNK WOMAN
Usually I can handle it better but
it's the heat.

DEE
Handle what- wait a second.

Dee picks up the puke covered bottom to smell it.

DEE (CONT'D)
That's damn vodka.

DRUNK WOMAN
Hell, you've got a good nose.

DEE
Where?

DRUNK WOMAN
What?

Dee grabs a fist of the woman's shirt and brings her closer.

DEE
WHERE did you get the vodka?

DRUNK WOMAN
Listen, I know I'm not supposed-

DEE
Cool it, I'm not your probation
officer or your sponsor-

DENNIS (O.S.)
DEE!

Dennis steps between his sister and the woman.

DENNIS (CONT'D)
I knew that was your screech. What
the hell are you-
(to Drunk Woman)
Is that vodka?

DRUNK WOMAN
Damn, y'all must be related.

DENNIS
I don't have time for your
worthless questions you Disney
freak, now **where** did you get the
vodka?

DRUNK WOMAN
The pirates ride! Some guy has been
selling water bottles of liquor.

Dennis looks off into the distance.

DENNIS
(to himself)
So it's true...

EXT. ORLANDO STREETS - DAY

Mac talks to himself as he walks through a random patch of
land.

MAC
"Happiest place on Earth" my ass.
This whole trip has been such a
stupid waste of-

He stops to read something.

MAC (CONT'D)

"Most awesome place on Earth?"

ANGLE ON: a wooden sign in front of a sketchy dirt road featuring the words "GATOR WORLD: MOST AWESOME PLACE ON EARTH."

INT. GATOR WORLD - MOMENTS LATER

Mac joins a crowd of Florida men and women in front of KYLE standing on a wooden platform with a cigarette hanging out of his mouth. He wears the typical safari guide outfit except it's cut off at the knees and shoulders.

KYLE

So without much further to do, I
welcome you to Gator World!

He steps aside and gestures to the enclosures behind him, they're all made out of mismatched wooden boards - definitely not up to any state code.

The crowd disperses and Kyle approaches Mac.

KYLE (CONT'D)

I see you missed the big speech so
I'll give you the quick run down.
Welcome to Gator World, a land of
nothing but animals who would love
to eat you, so-

He reaches into his bag and pulls out a turkey leg.

KYLE (CONT'D)

Let's make sure they eat!

MAC

Again with these goddamn turkey
legs?

KYLE

Relax buddy, unlike over at Mr. Big
Mouse, they're included here.

MAC

Really?

KYLE

How else are ya gonna feed Miss
Chompers?

EXT. MISS CHOMPERS' ENCLOSURE - MOMENTS LATER

Mac and Kyle stand outside on edge of a poorly made enclosure.

MAC
So, I just throw it in?

KYLE
Hell yeah.

Mac throws the turkey leg into the air, five gators leap from the water in an effort to grab it.

MAC
Holy shit!

A beat.

MAC (CONT'D)
I need more meat.

EXT. MEAT TRUCK - LATER

Mac stands next to a beat up pickup truck with the tailgate flipped down. The bed is filled with random cuts of meat.

MAC
Hmm, I'll take that one!

KYLE
That's Kimmy's favorite.

EXT. KIMMY'S ENCLOSURE - MOMENTS LATER

Mac throws a cheeseburger at Kimmy the Komodo Dragon. It hits her on the back, she hisses.

MAC
I love this place!

INT. PIRATE'S RIDE - DAY

Dee and Dennis load into a boat.

DEE
You don't think it's odd there's no kids in line?

ANGLE ON: a line strictly filled with drunk adults.

DENNIS

I think it's more odd that grown
adults choose to work here.

He eyes the park attendant who stands with their mouth open,
drool pooling.

INT. PIRATE TOWN - MOMENTS LATER

Dee and Dennis are further down the ride.

DEE

You've got to be joking...

Frank sits on the ledge, feet dangling in the water, plastic
water bottles of booze surround him.

FRANK

Five bucks a shot! Take a swig then
pass it back to me!

The adults pull piles of cash from their bags to give Frank.
He tosses the boat a bottle, it hits Dee square in the
forehead.

DEE

DAMMIT, FRANK!

DENNIS

(to Dee)

He's making a fortune here and
we're not even involved, this is
bullshit.

Dennis stands in the boat and steps onto the platform next to
Frank. Dee follows him.

The adults in the boat all take turns taking a swig of the
liquor. They throw the empty bottle back to Frank. The boat
continues on its way through the ride.

DENNIS (CONT'D)

How- how is this even happening?

FRANK

That damn Club was a total waste of
time, not one person was dancing!
But they had some pretty nice
liquor bottles so I snatched some.

Frank grabs the empty water bottle.

FRANK (CONT'D)
So I've got my mixer-

He places the bottle into the water so it fills up halfway.

FRANK (CONT'D)
And I've got my liquor!

He tops the bottle off with some whiskey.

DENNIS
That's disgusting, Frank.

FRANK
(grins)
Not to my desperate alcoholics.

INT. WINNIE THE POOH RIDE - AFTERNOON

Charlie is seated with his scooter gang.

FELIPE
This is another one of my
favorites, very simple and fun!

CUT TO:

INT. WINNIE THE POOH RIDE

Further down the ride, Tigger jumps rapidly, laughing maniacally. Bright, neon lights flash everywhere.

ANGLE ON: Charlie screaming in fear.

EXT. MISS CHOMPERS' ENCLOSURE - DAY

Mac and Kyle crouch in the dirt to watch baby gators hatch from eggs. Miss Chompers floats in water 10 feet away.

MAC
Wow, the miracle of birth!

A baby gator hatches from its egg.

MAC (CONT'D)
(To Miss Chompers)
You're a mama!

ANGLE ON: Miss Chompers eyes Mac

KYLE

I wouldn't get too close, gator
mamas are pretty protective of
their young.

Mac picks up the baby.

MAC

I'm gonna name you Mac Jr.!

Miss Chompers swims to land and runs towards the eggs. She's
not happy.

Mac screams and runs, baby still in hand.

INT. PIRATE'S RIDE - AFTERNOON

MONTAGE

-Dee, Dennis, and Frank sell the liquor to a boat of a
bachelorette party

-they sell the liquor to a boat of a family reunion

-they sell the liquor to a boat of old people

END OF MONTAGE.

They sit on the platform together, exhausted from their small
business.

Suddenly, another boat comes through.

FRANK

Oh fuck, it's the po-po.

A boat of SECURITY GUARDS stops in front of the platform. Dee
tries to make a run for it but trips over her gown and falls
into the water. Frank and Dennis are pulled onto the boat.

DENNIS

No need to get physical!

FRANK

I was just being an American and
practicing my eighteenth amendment
right.

DENNIS

Frank, you idiot, that's the
opposite. You mean the twenty-
first.

FRANK
(Loudly)
No, I do not mean the right for
women to vote.

He looks at the security guard.

FRANK (CONT'D)
(Quiet whisper)
You Floridians don't like that
right?

Dee, still in the dirty water, screams. Her dress weighs her
down.

DEE
You dumbasses, someone help me!

A security guard pulls Dee into the boat. Her Cinderella gown
soaking.

EXT. WINNIE THE POOH RIDE - AFTERNOON

Charlie sits on his scooter with his gang.

CHARLIE
That was awful.

FELIPE
What! That ride is great!

Charlie looks around at all the Mickey memorabilia.

CHARLIE
That was- that was a cult
initiation. This- this place is a
cult.

Charlie has a realization.

CHARLIE (CONT'D)
This is what they want.

FELIPE
Who?

CHARLIE
(serious)
Big Rat. They want you to submit to
him.

FLASHBACK

INT. PADDY'S PUB - NIGHT

Charlie bashes the ground over and over with his baseball bat, it's assumed he's bashing rats.

CHARLIE
(to himself)
You'll never get the best of me!

END FLASHBACK.

Charlie stands from his scooter. He eyes someone in a Mickey costume.

CHARLIE (CONT'D)
He must be stopped.

FELIPE
Charlie, what's going on?

CHARLIE
BIG RAT MUST BE STOPPED.

Before anything can be done, Charlie lunges for the Mickey mascot and a wrestle to the death ensues.

FELIPE
(to his crew)
We gotta get out of here!

They scooter off at a neck-breaking slow pace of two miles per hour.

CHARLIE
(Screams)
I've killed your kind before and
I'll do it again!

MICKEY MOUSE
(high pitch voice)
Not if I kill you first, bitch.

INT. DISNEY WORLD JAIL - MOMENTS LATER

Charlie sits in a bare room save for a table and chairs. He holds ice to his black eye.

CHARLIE
(To himself)
This is why you don't leave Philly!

EXT. PIRATE'S RIDE - AFTERNOON

Security guards escort Dee, Dennis, and Frank from the ride. Adults boo as they're no longer able to get their alcohol.

Suddenly, Frank grabs a handful of filled liquor bottles from his bag and throws them into the crowd.

FRANK
For the people!

The people scatter to catch them. Park attendants try to pull them from their hands. A brawl ensues.

INT. DISNEY JAIL - MOMENTS LATER

Dee, Dennis, and Frank join Charlie. They each take a seat.

DENNIS
You too?!

CHARLIE
(Shrugs)
I hate rats, man.

DEE
That doesn't meant anything to us
right now, Charlie.

They sit for a little.

DENNIS
Well how am I able to destroy the
park now?

DEE
Destroy the park? *That's* what
you've been up to?

DENNIS
(Mocking)
Destroy the park!

A beat.

DENNIS (CONT'D)
Yes, bitch.

Dennis stares out the window.

DENNIS (CONT'D)
This cesspool of adult virgins.

FRANK

(Smiles)

I had a great time!

DEE

Of course you did, you got to fine dine and drink nice liquor and make some money. I got vomited on, Charlie couldn't- well I don't know what Charlie meant with that freak comment, and Dennis didn't get to... destroy the park like he wanted, I guess.

CHARLIE

For the record, I was trying to kill Mickey Mouse.

DENNIS

Now **that** would have done the job!

The door opens. A BIG SECURITY GUARD walks in.

BIG SECURITY GUARD (O.S.)

Well what do we have here?

He sits opposite of the gang.

BIG SECURITY GUARD (CONT'D)

Deandra, Dennis, and Frank Reynolds plus Charlie Kelly. Some kind of weirdo family gathering?

DENNIS

What?! How do you even know who we are?

BIG SECURITY GUARD

We're Disney. We know everything.

A beat.

SECURITY GUARD

Ready for your sentencing? Deandra Reynolds and Dennis Reynolds, you're banned for a year.

DEE

That's fine.

DENNIS

Whatever.

BIG SECURITY GUARD
Frank Reynolds, you've been kicked
out of Club Thirty Three and banned
from Disney... permanently.

FRANK
I'll just go to California!

BIG SECURITY GUARD
No, the ban includes every Disney.

FRANK
(Whispers to the gang)
I bet he doesn't know about the
Tokyo one.

BIG SECURITY GUARD
Yes, the Tokyo one too *and* the
Paris one. And Charlie Kelly-

CHARLIE
Yeah?

BIG SECURITY GUARD
You'll be receiving a lawsuit from
Hank Miles in the mail.

CHARLIE
(Confused)
Hank? No, I tried to kill Mickey.

BIG SECURITY GUARD
Uh yeah, that's him.

CHARLIE
(Hushed tone)
He was inside Mickey?

EXT. DISNEY PARK - MOMENTS LATER

The gang is escorted out of the park by the big security
guard. Along the way, Dennis sees multiple rides being shut
down.

DENNIS
Why are the rides shut down?

BIG SECURITY GUARD
Adults keep vomiting on the rides,
more than usual I'd say.

DISNEY ADULT (O.S.)
WHAT DO YOU MEAN I CAN'T RIDE
FLYING DUMBO?

BIG SECURITY GUARD
They're pretty upset about it.

DENNIS
(Grins to himself)
It's almost as if... The park is
ruined.

EXT. PARKING LOT SHUTTLE - MOMENTS LATER

They stand together, no one is around them.

CHARLIE
So, what now?

FRANK
I don't know, we don't fly back
until later tonight.

DEE
(Looks around)
Wait a second, where's Mac?

They all look around.

CHARLIE
Oh he left.

DENNIS
Left?!

Dennis takes out his phone to call Mac.

DENNIS (CONT'D)
Where the hell are you, Mac?!

INT. GATORWORLD - MOMENTS LATER

Dee, Dennis, Frank, and Charlie enter and are greeted by Mac.
He is now in the same uniform as Kyle.

MAC
Welcome to my shangri-la.

FRANK
What the hell is this place?

MAC
It's magic on earth.

INT. MISS CHOMPERS' ENCLOSURE - MOMENTS LATER

Mac stands in front of the gang, they are now all dressed like him.

MAC
And here is where I helped Miss Chompers give birth today.

DENNIS
That absolutely did not happen, Mac.

Charlie looks over the wooden boards.

CHARLIE
Nah it tracks, look-

He points out some baby gators.

DENNIS
Gators don't give birth, Charlie.

MAC
Uh.. how else do the babies come out? Anyway! there's so much more to be seen.

MONTAGE:

-Dennis tosses meat for komodo dragons to fight over it. He's elated.

-Charlie pets a gator, it then steals his turkey leg prompting them to wrestle for it.

-Dee stands in the aviary, smiling, Frank throws bird seed on her so she gets attacked which causes the guys to laugh.

END OF MONTAGE.

INT. GATORWORLD RESTAURANT - NIGHT

The gang sits down to dinner. Dee is covered in scratches. They eat barbecued meat from their plate.

DENNIS
This place... is amazing.

MAC

Isn't it?! I knew you'd love it,
Dennis.

CHARLIE

I had such a great time!

FRANK

You really took out that gator, huh
Charlie?

DEE

Yeah, how do you not have any
scratches or bruises?!

CHARLIE

I asked her to be gentle and she
was. You could have asked the birds
the same.

ANGLE ON: a furious Dee and her bleeding face.

A WAITRESS comes over.

WAITRESS

How are you finding your meals?

DENNIS

I'm curious, I've never had
barbecued chicken that tastes so
good?

WAITRESS

That's cause it's not chicken.

MAC

Beef?

CHARLIE

Rat?

WAITRESS

Uh... it's actually gator!

DEE

WHAT!

She spits it out. Mac, Dennis, and Charlie follow suit.

MAC

H-how? W-what gator?

WAITRESS

(Sadly)

Mister Chompers. Kind of a deadbeat
dad so we figured it was okay.

She refills Frank's water. He's the only one still eating the
meat.

WAITRESS (CONT'D)

(Cheerful)

You guys have room for dessert?

MAC

I- I didn't even know he existed.
You kept a young dad hidden? What-
what if his babies wanna reconnect
one day? Maybe he's just nervous to
be a good dad. Or-

CHARLIE

Jesus, Mac. The gator isn't your
dad.

MAC

This place is evil to have-

Dennis raises his hand signaling Mac to stop talking.

He takes another bite of the gator and smiles. He's pleased.

DENNIS

(Grins)

No, no this is the happiest place
on earth.

(to the waitress)

A bottle of your finest liquor,
please.

WAITRESS

We have Svedka, is that okay?

FRANK

That'll do the trick!

CUT TO:

INT. GATORWORLD RESTAURANT - MOMENTS LATER

The gang holds up glasses of Svedka.

DENNIS

To Gatorworld!

Everyone except Mac raises their glasses. He's still pissed.

INT. AIRPLANE CABIN - NIGHT

Mac sits in the middle seat next to Dennis at the aisle.

MAC
(to Dennis)
Hey, I just gotta get something
down.

He steps across Dennis, opens the overhead bin, and takes down his backpack. When he opens the bag a BABY GATOR pops out and lands on Dennis' lap.

DENNIS
(Whisper yells)
WHAT THE FUCK?!

Mac smiles.

MAC
So that's where you've been, Mac
Jr.!

A FLORIDA MAN sits by the window. He doesn't look up from his magazine.

FLORIDA MAN
When he's grown, run in a zig zag.
